“ On behalf of my Mom, Carole McCurley her sister, and myself Jason McCurley, her nephew, and my wife Elaine, Grand Nieces we thank you from our hearts for the prayers and condolences for the passing of my dearest Auntie and Sister. It has been wonderful to see, hear, and feel the wonderful things she has done to affect other people's lives. As family, we, of course knew that, but to hear from others its very comforting. All she ever wanted was to give Love and be Loved. She did both and now God needed her back. I pray we will all meet again in Heaven with Our Lord and never feel sorrow again as I believe she is at now. May God bless us all and have mercy on all of us. We miss and love you so much Auntie. I would give anything just to feel your hug and hear your voice.
