“ *Eunice was a great person; I'll always remember her kindnesses. We were OES sisters and I took her to a couple of meetings but not in the last four years. She will be missed.*

*RIP dear one.*

“ Sally,

*I am so sorry to hear about your Mom. I had a nice chat with my Mom today about her and how she loved golfing with Eunice. I recently golfed with the league and your Mom's name came up. Your Mom inspired my Mom and many others at the club to do the things they loved as longed as they could..she was a role model. Peace to you and your family and hope Eunice is playing Par in her heaven.*
