“ My prayers are with all of you. I wish I could have been there with all of you. I will miss Aunt Evey always, especially our phone calls the last few years. She was so special to me. The memories I will always have. All the years as a kid in Minocqua. She showed me what a great family could be. I learned so much from her. I will always cherish all the cards she sent me in the mail. I love her so much.

“ To the Reilly family,

*“A human life is a story told by God.” – Hans Christian Anderson
And what a marvelous story God told through Mrs. Reilly!! Being in her presence, whether it was having a one-on-one chitchat, or as part of a Reilly family event, I always felt a sense of peace, love, joy and contentment. Knowing how much she loved her family and her including me as part of her family, made me feel blessed, and for that I am, and will always remain, thankful and proud. She was a very special person to me and will live in my heart forever.
I am so sorry for your loss.*
