“ I was saddened to learn of Florence's passing. We were neighbors of Florence and Hiram for many years on County H. Had many enjoyable times with them during the summer months. My sincere condolences to all of her children and family during this difficult time.

“ As Florence and Hiram's son-in-law I am truly glad to have known both of them. My wife(Janis) and myself were blessed to be with them both and to help them thru their later years. I felt that Mom and Dad gave me respect and love by words and thought. Mom taught me how to watch *The Young and the Restless*. We would sit there and laugh about Victor who was kinda the mean guy on the show. It was my honor to help Mom through her hard times and have great talks with her. I never though could eat oatmeal like her as she loved lots of honey in it . What a great time in my life to be with her. I know that Jan and I will see her and Dad when we all come together with our Lord. God bless her. Love her so much. Randy

“ Aunt Florence and Uncle Hiriam were always great to me and whenever I spent summers in Flambeau when I was small, and at other times, she always made special PIES for me, knowing how much I loved them and still do. She is now reunited with Hiriam and probably cooking some pies up there too. God Bless the family and all.

Condolences to the entire family. William Vallier - nephew.
