“ *My Susie's Uncle Frank. She loved our visits with him in Wisconsin. We would take our Boys to Eagle River and spend some time with Uncle Frank. Especially at Paul Bunyan's Restaurant. Susie and Uncle Frank would talk about fishing the whole time. Uncle Frank when you get where you are going find Susie and take her fishing. She would love that.*

*Rest in Peace Sir

“ *Frank was a wonderful dear friend. We met "da Mayor" in 1991, He was a most kind, loving man with a fantastic sense of humor. He was loved by all his Hiawatha friends in Woodruff, Wi. We have had many , many fun memories to share with each other and much laughter recalling them. We have lost him but never the memories.*

He will remain in our hearts.....

*Rest in peace dear one,

Thank you for your heartfelt tribute. He loved being part of your "Hiawatha Family" and spoke often and fondly of the many fun times you shared together...I can still hear the roar of the laughter! You will always remain in his heart and mine...
