“ Geri and Family. We are so very sorry to hear of Gary's passing. He was our first ambassador into snowmobiling in St. Germain, and then became a friend he always had a smile on his face when he drove by our cabin down the street and was always full of advice when we called with questions. We are thankful for every moment we had to spend with both of you. And we will always cherish the memory of the trip we took to Boulder Jct. Our condolences. Doug, Michelle, Shawn and Ryan Bansemer.

“ Gary was an real original.....one of the most loving and caring people we have ever known. As we "traveled" together by snowmobile, train, camper, convertible or on foot, Gary was always there to help, fix or repair whatever needed his services. So many memories and not enough time together. We will miss our dear friend and he will always live in our hearts. Our prayers and love go out to Geri and her family.
