“ I am so sorry to read about your loss. Your Mom and Dad will always have a special place in my heart and memories. I still feel guilty about my water breaking in their new car on the way to the hospital. Lucy just was happy as a lark in the back seat and kept telling me not to worry about it. "Isn't this exciting! I am so glad to be going with you and Jim!".
Going to Minnesota on the buying trips was also so much fun. They will be missed by many of us.
