“ To Ma, May the memories of your many years together with Pa bring peace and solace to you during this sad time. So many stories were shared over the past few days it just re-affirms in my mind that our family is very special. A family not without its troubles, to be sure, but knowing Jerry was a constant source of strength, love, humor and gentleness to us all helped make things easier. He will be missed a great deal. To Debra, Daniel, Dale and Scott – your Dad is always going to remain in your hearts and you will feel him in your lives forever. He is with you!!! Time will heal the sadness you may have today, and big smiles and warm feelings will replace the sadness soon. To Sheila – Thank you so much for allowing the family (YOUR FAMILY) to come into your home for this sad day of sharing. It was a beautiful thing you did for all of us and we all appreciate it so much. You are very very special to Esther and to Jerry. You are their daughter, forever. To the grand-kids Amanda, Becky, Jamie, Travis, Chris, Mike, Charlie, Ben, Trevor, Kirsten, Taylor, Salyssa, Brennan, Connor– You all made Grampa’s life full, rich and complete. Never forget that. He adored and loved all of you with all his heart. He is with you!!! Forever in your hearts. Lastly, I loved my father-in-law a great deal. I gave him a hard time and he gave it right back, always with a gleam in his eyes. I will never forget how he welcomed me and my children into his family without question. That meant a lot to me. LOVE to all, Ann Clarkson.
