“ I was so saddened to learn of aunt Gertye's passing. I saw her last with my mom at the nursing home. She still remembered me and I have a photo taken that day. She was a beautiful woman-so dear to me. I have so many fond memories of her and will cherish them forever. My heart goes out to you as you experience this great loss. You were so good to her and she was lucky to have you give her a place in your home. I could only give her a place in my heart.
