“ *To Karen, Chris, and the rest of the family: We send our wishes of sympathy and our hope that many happy memories will sustain you going forward. We only discovered this morning when reading about Glenn in the Beacon News that not only was Karen my high school classmate, but also that Chris was one of Jim's favorite professionals to call for the many years he was at Hollywood Casino. May you find peace and comfort enjoying sunsets in the years ahead. Nancy and Jim Hopp*

“ My most fond memory of your Dad was his ability to grin silently no matter how much ruckus us kids would cause in the neighborhood. He always defended the children with a meekness about him. He would gently puff his pipe and keep peace. Great man. God Bless your family.
