“ I will always remember Uncle Glenn as an avid hunter, fisherman, and storyteller.
Uncle Glenn always took time to explain everything.
As I drive past Electromotive I always think how Uncle Glenn really was such a part of that company.
I learned from Uncle Glenn and will miss him.

“ Pat, Glennette, Carolyn, and Pat's family... I was so very sorry to hear of Glenn's passing. I have some very fond memories of my time spent with my father in law Glenn. I smile everytime I think of how many times we laughed till we cried..Great times with Gunnar Anderson, and with Gene and his wife.. our fishing and snow mobiling and how much he taught me about life in general. Pat, you were the best thing that ever happened to Glenn. Thank you for loving him and making him so happy. Although I tried to keep in contact through the years, I must admit it was hard. The both of you were often in our thoughts. I regret that his grandchildren, Carole Ann and Scot, and his great grandchildren, Gavin Michael and Delainie Frances missed out on so many years. It was hard for me as a single parent to travel and work. I would have loved for them to know the man I knew while living in Flambeau with him. May he rest in peace.
