“ Aunt Harriet!
You were such a strong and courageous woman; a lot like Grandma Harding. I have so many fond memories of coming "up nort" during my childhood: picnics at Brandy Lake, your homemade bread and constantly cooking for a crowd, and snowmobiling in the winter. In the summer we could always find you in the garage doing all that laundry for the camp! We loved your quit wit and sense of humor...you will be sorely missed by all.
You are now pain free and in God's hands!

love, your niece Debi and family

“ I will always remember Aunt Harriette with her crooked smile and her laugh. I remember spending time with her when we went for a visit in the summer. And Grandma living next door. I know everyone will miss her greatly. Please know I am thinking of all of you and keeping you in my prayers. Love Karen

“ I remember making holiday cookies with Grandma and taking them to the nursing home.

I remeber my Grandmas homemade bread smelled and tasted better than anything. I remember the special little loaf's for the grandkids. I remember driving her crazy with the rock and jazz settings on the electric organ, but she would let me play for hours. I remember the breath savers in her purse at church, and the change she would give me with her envelope to put in the offering plate. I remember her favorite song "What a friend we have in Jesus" and singing it with her at the house.

I am blessed to have had her influence on my life. I know that my spiritual foundation was passed on through her and that I would not be the person I am today, without God.

What a special difference one single life has made. May God bless you with eternal joy! until we meet again, I love you and will miss you Grandma.
