“ *Helen was my first cousin and although I knew her mostly as a child I remember her how sweet she always was to a younger and sometime tag-along cousin. Her smile would light up a room! My thoughts and prayers are with you Klaren and your family.*

“ *Helen was the epitome of Minnesota nice! She lit up every room with her smile, her intelligence and her sense of humor. She brought her talent for beauty to everything she did and shared it with everyone she met. She was a natural leader and made a difference in Wyndemere with her creativity and energy.*
Our hearts are broken. Our prayers are with her loving family.

Helen was such a warm welcoming part of my Wyndemere experience, always encouraging me during the beading class despite my mediocre skill. I am saddened and will greatly miss Helen! Carol Beckmann

*Helen never failed to welcome you with a smile and always left you with warm feelings. Not only was her personality a gift to all of us, but she also shared her many talents freely. We will miss her presence here with us, but will also think of her often and know how fortunate we've been to know her.
