“ *John and Vickie,*

*Saddened to read of the death of your mother. I know you took good care of her and loved her dearly. October is a sad month for me also, but the beauty of autumn always eases the pain. Wishing the same for you.*

“ Dear Paul, John, Vickie, Rick, Sandy and Kim,  
Karen McConnell called to tell me of Helen Irene's passing. I'm so sad to hear that, but no doubt now in a better place for her. For all of you, I know how hard this is...she will be missed! She was always so much fun, even though we didn't see all of you often. I will always remember staying at your place on our way home from our trip to Washington D.C. when I was a kid. It was so much fun! My mom, Mae, and Helen Irene always had so much fun together. I'm sending much love and prayers to all of you. May the happy memories you all have get you through this very difficult time.  
With love,

“ Dear Paul, Rick, John, and families,

*I am so sorry to hear of Helen's passing. I will always remember her great sense of humor and hearty laugh. I know this brings you great sadness which will ease over time and then come back when you least expect it. I also know there are family and old friends who greeted her with smiles and hugs on the other side of the pearly gates. My thoughts are with you.*
