“ *Hank was such a wonderful man with such a gentle and kind heart. I will sure miss the all the nice things he had to say and the great stories he told. It never mattered what kind of day he was having, we could always smile and laugh together during a short phone call. He defiantly was a person I am so glad I got to know. My thoughts and prayers go out to the family and Tom. Melanie Fogerty*

“ *I enjoyed taking care of Henry when he was a patient of Dr Frost and listening to all of his stories. He was a wonderful, smart, interesting man and he will be missed. He is now reunited with Elizabeth and that makes me smile. My condolences to the entire family. Becky Lovelace, Rhinelander*
