“ *Myself and two sibling were raised by my, Grandparents Mildred and Ben Jadack, who were backdoor neighbors to the Herb. They were the best neighbors you could ever want. He always raised enough in his garden to feed the whole neighborhood. He was always there when you needed help. I think he organized planting half of the trees in Wood county through the Boy Scouts. He gave us our first dog, "Corkey". Grandma said no dogs but, ther he was - Corkey! We often thought about him and the family and were truly blessed with such a "Good Neighbor and Friend". “ When I was 11yo I took a canoeing merit badge at Boy Scout summer camp. I was quite small at the time and most certainly in over my head. (The instructors were pretty hard-core). Needless to say I wasn't able to finish the requirements for the merit badge at camp which was a major disappointment for me. However, when I returned to the Rapids the following week I was told to contact Mr. Zuege to help me finish the needed requirements for the merit badge. He took me out for a couple canoeing sessions on Nepco Lake and I was able to get my 1st merit badge. Those 2 sessions in the canoe were a very positive experience for me. Mr. Zuege enjoyed the canoeing as much as I did if not more. I will always be grateful to him for the time he shared with me and his + outlook and attitude which I truly appreciated.

“ Dear Becky and Karl and families -
I was very sad to learn of your father's death. I have such wonderful memories of your Dad and Mom who took me and several other Girl Scouts to the GS National Center. We called them Mom and Dad - and they were to us - so far away from home. Your parents will hold a very special place in my heart.
If it is ok with you, I will make a donation in your parents name to the GS council during a future fund drive.
God bless you and hold you in his caring hands.
