

## Jacob Alexander Scheible

March 5, 1986 - December 26, 2020

Jacob Alexander Scheible, age 34, passed away unexpectedly on December 26, 2020. He was born on March 5, 1986 in Eau Claire Wisconsin, the son of Steven and Pamela (nee Stewart) Scheible.

After attending CVTC and UWEC, Jacob moved to Arizona to pursue his career in the golf industry; PGA of America-Arizona (Class of 2010). He worked at a few golf courses in Wausau, Wisconsin before moving back up to Arbor Vitae, Wisconsin and began work at Trout Lake Golf Club in June of 2015 as an assistant golf professional.

Jacob was passionate about golf and found his talent in teaching others to enjoy the sport. He was a member of the Min-Aqua Bats from May 2000 to August 2008, though "Once a Bat, always a Bat!" He forged many bonds and friendships and was mentored by senior members. His skills grew with each year and he taught many others to enjoy water sports. Jacob was happiest when on the golf course, in and on the water, photographing nature and being with his children and family. His enthusiasm and energy were contagious. "Cousin Camp" at Big Arbor Vitae lake will never be the same without him.

He is survived by his parents Steven and Pamela Scheible of Estero, Florida; his brother, Mark (Kristin) Scheible and Kristin's son, Gavin Moore of Waunakee, Wisconsin; sister, Lindsey (Brian) Dahlke; nephews, Carson and

Hudson Dahlke and niece, Breckyn Dahlke, all of Windsor, Colorado; ex-wife, Megan Anderson and their daughter, Payton Scheible of Franklin, Tennessee; Fiancé, Jessica Svoke (her children, Jackson Acheson and Jordyn Meinhardt) and their twin sons, Jameson and Jefferson Scheible of Eagle River, Wisconsin. Jacob will be missed by his many aunts, uncles, cousins, friends and associates. He has passed too early and will be missed by so many.

In lieu of flowers, the family intends to create a golf scholarship in Jacob's name. The Jacob A. Scheible Memorial Golf Scholarship will be established to award funds to deserving candidates wanting to pursue a career in the golf industry. The first annual outing will be June 27, 2021 at Trout Lake Golf Club. A Celebration of Life will be this coming spring in Arbor Vitae, Wisconsin.

“ *Dear Pam and Steve and Family*

*Having lost our son just 2 years ago this Jan 30, we feel the pain and gut wrenching sorrow of an unexpected death of a child, no matter what their age. And even though we never got to know Jacob, just barely getting to know the two of you through golf at St Germain, our hearts know what kind of man he had to have been, coming from 2 of the nicest people we knew. As any parent who loses a child will tell you, it is different than losing any other loved one, not that it hurts any more or less, but different in a way only a parent can identify with who has endured through the shock, grief, and emptiness that you feel and always will. I promise you, that emptiness fills in with the best of the memories you have, and though not always enough to lift the pain, still always welcome to mend the heart and soul. We felt our son's presence in the form of an eagle from the first week of his death, and though we know God has him in his loving arms, any sight of an eagle, will melt our hearts with tears and gladness, and accept it as a sign that he is free of pain, and soaring amongst the best of the best. I hope you find that peace anyway you can, and trust me, God will help guide your hearts and souls through this journey. Answers are always sought, but never truly able to put to rest the question of why. Trust God, as hard as it seems, and though it might not be an answer, Bill and I did go to grief counseling and we were glad we did. NO advice feels good right now, we know, and words of comfort are a tremendous help, but when those hours of loneliness and loss hit you, nothing but your faith will ease the pain. We wish we could give youth hugs and comfort but for now, just know, we been down that path, we feel your heart and we will pray God finds you a softer landing real soon. Jacob is free, know that and know too, God doesn't let the best slip away without a reason, He is with God now, but he will forever be in your hearts and minds. Hope we can see you this summer. God Bless! Mary Lynne and Bill Hull*

“ I am so saddened to hear this news. Jacob was a joy to engage with at Trout Lake. He would always offer an enthusiastic greeting whenever I saw him in the clubhouse or on the course. I enjoyed discussing golf with him as well as his passion for water skiing. Trout Lake GC will never be the same. My heartfelt prayers go out to Jacob and may God bless his kids and the entire Scheible family.

“ Hello Pam and Steve,  
We know the raw grief you feel right now as we experienced the unexpected death of our 34 year old son, Chris, seven years ago. We send you our thoughts and prayers as you struggle to journey through this dark time. Jacob always had that mischevious spirit and look about him when he hung out with Lindsey at Mark and Chris' ball games . What a handsome young man Jacob grew up to be. We welcome you to contact us at any time to talk about what unfolds after the death of a dearly loved son. Bless you all as you walk this difficult walk together. Peace and comfort.

“ Our hearts go out to the entire Scheible family and those closest to Jacob. It is so incredibly sad and such a loss. Please know that our thoughts and prayers are with you all. We remember visiting Steve and Pam in early 1987 when Sue was pregnant with our daughter Tara and seeing Jacob for the first time. I can still see that wonderful moment clearly. It breaks my heart to hear of his passing. Love,

“ This hits me hard.

*I grew up as a very close friend of Jake, or Coby as Steve always called him. We grew up together on Cummings Ave in Eau Claire from grade school through high school.*

*We experienced many firsts together, including a double date in 5th grade to see Space Jam with some cute girls.*

*Sleepovers as kids, skateboarding all over town and going to skate parks in Minneapolis, football from pop warner into high school, hockey, baseball... The list goes on and on.*

*When we were young, maybe 9th grade, I created a hip hop beat on my computer and Jake wrote a rap lyric over it. The song was called "One more chance" and it was amazing. One of the lyrics he wrote was about his 4 bedroom cabin in Minocqua. I wish I still had the recording. Jake was a confident personality and I always admired that about him.*

*I am still grasping at straws trying to understand that this has actually happened. I think about Jake almost weekly even though we grew apart after high school. Every time I drive down London Rd in Eau Claire I think of him because I remember a time when he worked at Rainmaster and I saw him driving the company truck, just absolutely going nuts jamming out on his own, probably to a hip hop song.*

*I will grieve this loss forever.*

*Rest in peace, Coby 🙏*

“ My heart broke as I heard the news. The Scheibles were my second family during my years in Eau Claire. So many Captain and Cokes at the cabin, making apple cider on the old press straining everything through a pillow case, fish fries at the golf course, the list of amazing memories could go on. Thank you SO much for loving me like a son!

Jacob, your heart was huge and I love you like a brother! I'm blessed to have know you and been able to spend as much time together as we did. I miss you more than words can express!! Love you, brother!
