“ Hey Papa, it's me Chloe. I miss you so much. I graduated high school on the 18th and I'll be in college soon. Jackson is so big now and you have another grandson, Bodhi. He's a pretty cool kid too. I wish I could hear your voice one last time. Love you forever and always❤️

“ To the Moore Family,
I had to pleasure of knowing Jim from kindergarten through both Holy Cross and OPRF. Six years ago, I called a phone number when my wife and I were looking at lake property on Squaw Lake. I was about to leave a message with my name when Jim picked up and said, "Is this the same Jim Tierney from Oak Park?" We did buy a home on West Squaw Lake Rd. and go boating by the "Moore" complex quite often. We saw Jim at Trig's a number of times. My wife and I remember hanging out with both Jim and Kerry Petertil as teenagers. We remember him fondly. Our condolences to your entire family. The Tierneys

“ Please accept my deepest sympathy on the loss of Jim. I knew Jim a long time ago from Oak Park High School. He was one of the "good guys".

“ Ann, Jason and Siobhan you all have my deepest sympathy for the loss of Jim. I know we had lost contact after I got married but I do remember all the talks with Jim ranging from when he was kid to Vietnam and when I helped him at the house in Tomahawk. I know one could never meet a nicer man. I truly am a better person for knowing him. You all are in my thoughts and Prayers.
