“ Hi handsome...we are going to miss you down here. Being my brother in law you had some big shoes to fill. You have done that quite well. I remember helping you build your screen porch and all the get togethers we had there. I remember the New Years Eve's, birthdays, Christmas' and all the other holidays that we spent together as a family. You taught me how to ask for a large milk in Spanish(and laughed at me when I said it wrong). You taught my son to further his love of fishing.(he always asked when he could see Uncle Jim and fish). You made my sister so happy. I am glad I got to spend time with you on your last days here on earth and the conversation we shared will stay in my heart forever. You will be greatly missed. I hope heaven holds the largest lake with the most abundance of Walleyes and large mouth Bass(got it right this time). Until we meet again...all our love..Jim, Sarah and George Roberts.

“ I know that no matter what
You will always be with me.
When life separates us
I'll know it is only your soul
Saying goodbye to your body
But your spirit will be with me always.
When I see a bird chirping on a nearby branch
I will know it is you singing to me.
When a butterfly brushes gently by me so care freely
I will know it is you assuring me you are free from pain.
When the gentle fragrance of a flower catches my attention
I will know it is you reminding me
To appreciate the simple things in life.
When the sun shining through my window awakens me
I will feel the warmth of your love.
When I hear the rain pitter patter against my window sill
I will hear your words of wisdom
And will remember what you taught me so well'
That without rain trees cannot grow
Without rain flowers cannot bloom
Without life's challenges I cannot grow strong.
When I look out to the sea
I will think of your endless love for your family.
When I think of mountains, their majesty and magnificence
I will think of your courage for your country.
No matter where I am
Your spirit will be beside me
For I know that no matter what
You will always be with me.
