“ On behalf of the Stone Family, I want to extend our deepest condolences and support to the entire Wagner Family. "Jimmy" was a lifelong friend, one of the kindest men ever, the consummate North woodsman, and an iconic figure on East Squaw Lake Road. He instilled a love of the woods in many and was an affable man who will be missed dearly. Our thoughts and prayers are with him and the Wagner Family. Blessings, George Stone

“ I am a friend of Jim's daughter Amy , I went with her a couple times to visit her parents , Jim loved to talk and always had a smile , my granddaughter Alexis and I went with Amy and her two daughters to visit one evening and Alexis and Raquel were playing toys in the living room , Jim was sitting in his chair watching the girls play , whenever they laughed or giggled he would smile and chuckle , when we left he walked us to the door and brought his flashlight with because he worried about us getting to the car and he would stand there and wave till we were driving down the driveway , I will always remember your smile and kindness Jim , forever and always remembered 💜 Theresa and alexis
