“ Dear Susie, Mike and Butch,
I have such fond memories of our visits to Emma's - that always included a visit to Janie's. Such great fun we had at your house. I remember days playing in the lake and feeding an assortment of wild animals at your house.
I will always remember your mom's smile, laughter, hospitality, and the stories of 'adventures' she would tell.
May fond memories of your mom leave a wonderful legacy with your families.
In sympathy - Karen [Paulson] Schnell
