

## John C. Kronquist

April 23, 2021

John C. Kronquist, 36, of Lac du Flambeau, went home to be with his Grandpa Jack on April 23, 2021. John was fondly remembered for his love of life and the ability to always find the good in people. He loved the outdoors and his path would always be led by God. John will be remembered also for his love of children and was known to supply all with ice cream whenever there was a chance, just to see them smile. John is survived by many that respected and loved him. The family will be holding services in the Milwaukee area and Lac du Flambeau.
