“ Sorry for your loss of John. He always made a positive impression on everyone who he came in contact with. I was one of his teachers and football coaches at the Lac du Flambeau school. He was a great role model to his peers in class and displayed great sportsmanship and work ethic on the football field as our quarterback. John came back to help coach after he was out of school. I have always admired John for the role model and person he was. I will always remember John as the type of person that anyone would be proud to call an awesome student, athlete, son, brother, father, and friend. I will always have positive thoughts of John. He left his mark on earth that everyone will remember forever!
