“ *My name is Roman Nowak. I grew up in Waukesha. John was my friend while growing up on Harrison ave. One of my favorite memories with Johnny was playing catch in the street. He had one of the strongest throwing arms of anybody I knew. We hung around with the Zimmerman boys and stayed out late at night. As I got older I would think of Johnny and keep him in my prayers. My condolences to the family.. I am glad he got to move up North where he was happy..*
