“ *Our deepest sympathy in the loss of Josephine, who was a special person and loved by many. We stayed at their resort for many years and they got to be part of our family. Charles and Esther*

“ *Anglers Resort was a honeymoon gift from my Mom & Dad(Charles & Esther Shutter)Little did we know that we would meet a wonderful couple who owned the resort: Josephine and Steve Kruschynski. Over the years we kept in touch with Christmas cards. Later years when our children had grown we went on vacation and would visit Josephine and Steve(of course they no longer owner the resort). Then the love of Josephine's life passed away and we found her in her home in Woodruff and had many a wonderful visit remembering. Josephine was a special lady, wish I could draw and paint as she did( what a gift God gave her and she shared her gift with all; from oil paintings to lady bugs and oh so much more. We will cherish all the time God gave us with Josephine. She is now resting in peace with the love of her life. We will always remember you Josephine and share our memories. Thank you,*
