“ I just heard from one of my brothers in Illinois about the death of your Mom Joyce. I am a cousin of your Dad Jack and want to express my deepest sympathies to your family. I remember being at their wedding when I was a young girl and it was beautiful and also going to their home in Illinois many times and remember your parents fondly.

“ My heart aches with you all, Joyce was such a special person. So many memories of times in the home with precious Susie, and on those days I would have a special chat with both Jack and Joyce, always such a pleasure to visit with them. I have missed Jack and Susie they are so often in my thoughts and heart, and now Joyce is gone too. She was one of those people that brought a smile to the heart. Love, Ruth Zentner

“ I worked with Susan and her parents, Joyce and Jack, for many years after they moved to Minocqua. I got to visit with them every three months and always enjoyed being around such a loving family. I think of them so often. I will truly miss my conversations with Joyce. They are all together again :-)
