“ To Joyce's family, I was so sorry to hear of Joyce's passing. I just happened to be looking up old friends I used to work with at Wausau North and came upon Joyce's memorial. I worked with Joyce for three years in the ER at Wausau North while I was going to nursing school. I always enjoyed working with Joyce and I can say that I learned a lot from her. We had a lot of work to do on those weekend, Late shifts, but we always had time for some fun and sharing. I always got a kick of the plans Joyce had with remodeling, or updating her home and that cottage. We had a great crew in the Emergency Room and we all had a caring relationship with each other. Although, I did not ever meet anyone of your family, I felt I knew each and every one of you through the stories Joyce would tell. From Jack at the cocacola company to you children, I heard about your growing up for the three years I worked with her. It was definite how she loved and cared for you all, I am so sorry I never got to see her after I graduated from school and went my own way. God bless you all and keep happy in your memories.

“ I am so sorry for your loss. My Aunt Joyce was always larger than life to me.

Some of my fondest childhood memories were of the trips "up north" and the wonderful time that Joyce, Jack, and my cousins provided to me and my family.

The skiing, campfires, and endless supply of 7UP were about as close to heaven as a 9 year old boy could get. There was always the loud, raucous evenings filled with laughter. Sometimes us kids even got kind of loud.

I'm very glad I got to visit briefly with Joyce the last time I was at my Dad's. I will always remember her for her confidence and grace.
