“ I regret deeply not being able to attend Joyce's service because I am in Boston and returning to Minocqua on Sept. 20. Joyce and I were close friends for many years and had some jolly good times at Polecat. Les and I also visited her and Stan in Arizona and once back in Minocqua, I spent many amusing afternoons with Stan, then confined to his home. A short time ago, Joyce and I were discussing an article she was working on - as we often did. I shall miss her so much and the community will miss her even more. Definitely a memorable figure wherever she lived - the world knew she was here! My most sincere sympathy to the family...I

“ What a LIFE..... Your Mom was everything, did everything, that most of us only dream of... You must be so PROUD...
When I think of her, all I can do is smile.
She was a truely SPECIAL person to all she met....
