“ I am so sorry to hear that Katie lost her battle with cancer. I will always remember the great times we had, especially when I was her "guinea Pig" when she was going to Cosmotology school. I will miss her very much, but will always have great memories. Sorry I can't make it to the funeral. Sincerely, Jaime Korrer

“ Bill, we're so sorry that we didn't hear of Katie's passing sooner. She was a wonderful, kind, and loving person who taught our little dog "coconut" agility training. Coconut always loved to hear, "you're going to Katie's!". She is sadly missed.
