“ *Dear Tom, Dan and Riemer family,*

Our thoughts and prayers are with you during this difficult time. Kath had kept us updated during Kathy's entire illness and we thought and prayed for her often. Kath always had such wonderful things to say about her and how strong she was during her battle. She also told us how devoted Tom was until the very end. We hope you find peace in knowing that her suffering has ended and that she is in a much better place, praying for you.
