“ *Kathleen is a forever friend. She was the most fun person I worked with in Cellar 70! She always spoke so lovingly of her family and I know she wanted to be here for every day she could to enjoy each of you! She truly fought for "one more day" and I will look up to her and use her courage in my life! What a remarkable amazing woman! So glad to call Kathleen my friend!!! You are now amongst the angels free of suffering! See you again my friend! You are already truly missed!* ”
