“ We knew each other a bit in high school but we developed a fun relationship on Facebook over the past few years... Lots of great banter... Her quick wit made me chuckle and smile. Her love of family was paramount and I truly believe the world is a better place because of her 54 years here.... RIP Kiki

“ One of my last conversations with Kiki was about giving our principle at the high school a piece of her mind about something I can't remember. It just made me smile thinking about it as she had that glint in her eye. I knew the principle was in for quite a lecture from Kiki. She will be missed for her spunk and enthusiasm of life
Condolences to the family

“ My sister and I grew up with the Malek kids. Our parents were best friends. I am so sad to hear of Kiki's passing. She was a fireball of energy, and she had such a great sense of humor. Sending my love to Kim and Karen, Aunt Joan and Uncle Bob. I am wrapping you all in a big hug!!!
