“ We always enjoyed Kathy's sense of humor. Even on the toughest days at work, she could make us crack a smile. Comments such as, "Why did we come in today" or "Are we having fun yet" were just her small way of breaking the tension. We will truly miss you.

“ My fondest memory is from the 70's as a kid being taken to the stock car races at State Park Speedway by Kathy, Barb, and Steve. If memory serves my younger brother Matt came along as well once old enough. They made a great team keeping us occupied.
