“ *For all the immediate family, my condolences. For the rest of the tribe, we're sad to lose another. I will always remember Uncle Buddy as the stately, humorous big brother of my mom and aunts. I'm grateful for his peaceful passing, and know he is welcomed with the loving arms of his wife, mom, sisters that revered him, and the one who couldn't know him. He was loved by all of his family and that alone is a mark of a good man.  
I honor him for his service to our nation and thank him for it.*
