“ I am so sorry to hear of Ken's passing. I was just reminded of him and Audrey when I drove by church yesterday and admired the beautiful shrubs that he got for the church in memory of Audrey. I also remember how nervous but caring he was when my 1st and second grade Christian education students visited his home. We had one student with allergies and he wanted to make sure he had snacks that she would be able to eat. I also remember Ken taking on the job of breaking down boxes at the Fleazaar. Ken will be missed by many.
