“ I was so sad to hear about Kenny passing away. He was a long time friend-I loved working with him at George's, he took me to my first Packer game at Lambeau Field many years ago and it was always a pleasure to see him when he worked at Save More or when we'd run into him at Zastrow's for dinner. I sure will miss seeing his smiling face but I know he's in heaven with his Mom and Dad. My sympathies.

“ Kenny, Can't say enough about the great times, and the wonderful memories with the Class of '71. You were are at the heart of all the crazy things we did and always the life of the party. Most importantly, you were a great friend and hold a very special place in my heart. Rest in peace, until we meet again, Connie Larsen

“ It has been TOO many years sense I have seen Kenny. Related by the ZIMA name. Last big laugh together was in Las Vegas. He had a few employees there and we sat together at a stage show. It was a drag show. I was with my mother and dad. ( both gone now ). We were all laughing so hard we kind of made a scene in the place. All I can remember was we really enjoyed the night. Nice memory. REST IN PEACE.

“ I first worked with Ken about 15 years ago at Super 3 Foods in the meat dept. That man taught me a lot, and not always about meat!! We were both hired by Save More when Super 3 closed, and our friendship only deepened. That man had a special place in my heart, along with Harvey also. I offer my condolences to his Family, especially Barb, I felt I had known you my entire life after hearing Ken talk about you and your husband!! I will miss him with all my heart! Please give Harvey a hug from me. Sincerely, Kelly Wheeler

“ *My prayers go out for this man.*

*What a loss of a friend and a good person! I met him about 35 yrs ago, when we moved to Boulder Jct. back in his days at George's Steak House. All of us knew that Kenny was the kind of person you could always rely on. His big smile that ended with laughter will be a great memory to uplift my spirit. He always asked me to say hi to Rosa! (my wife) even when he was hurting after standing on his feet for long periods of time. Ken was a special person for sure; one with a big heart. He will be missed by many in the Boulder area. I know that many of us can't help wondering about his dogs and sidekick, Harvey.*

*Kenny, rest in peace, you will always be remembered in our prayers.*

“ Kenny always had that great smile whenever you saw him- we saw it on Friday evening when we stopped by the Ale House- we spoke to him briefly because he was so busy, as always he had time to say hi. The minute I walked in I could smell those ribs, it was the best buffet ever. Everything was homemade and so delicious! Kenny cooked for my husband's family business, George's and we all came to know and love him and all the specialty foods! RIP Kenny we will all miss you ❤️🙏?? thoughts and prayers to the family ❤️🙏??

*We are saddened to hear of Ken's passing. We shared our love of Labrador Retrievers and sometimes walked them together. Who will I confer with on dog care and training issues? Barb (Hegeman) goes back even farther than I . All the way back to George's Steak House in the 70's. Too many fond memories of that to list. A great guy and a good friend, we will miss him and think of him often. Our condolences.*
