“ I am so sorry to learn of Kennette's passing away in Minocqua a little over a week ago. I hope her year in the retirement home was pleasant and although visually impaired, I am sure she was able to carry on interesting conversations with staff and other residents. I also hope it was in a location where she could be outdoors in good weather to enjoy the sights, sounds, and wonderful smell of the woods in the north which she loved so much. From the obituary, it sounds as if there will not be a service in Rockford so please just know of my condolences for the entire family and I wish you all the very best. Warmly, Alice Heath
