“ *Dolly, Gary & Karen. & family*

*We were so sad to hear of Kevin's accident and death. We only learned of it this week in the Vilas County News-Review or we surely would have attended the funeral. There are no words that can really help at a time like this but please know that Dave & I are thinking of you.*

“ *Dolly and Gary, Jack & I are saddened to learn of the death of Kevin at such a young age. We recall him from 40 yrs back when he was a young lad and both have said what a sweet young lad he was back then...you could be so proud of him, very respectful and well-behaved. You did a grand job!!! May all of you find peace and comfort during this sad and most difficult time for you folks, his wife, children and Karen.*

“ I was so glad to be there that night to make sure he was okay! I'm the one that knew who he was! I kept talking to him and checking his pulse to make sure everything was good until the ambulance got there, but knowing it wasn't! I pray for all his family and friends and thanking my sister for being there when it happened! My thoughts and prayers are with you and your family! I'm so glad to have known him and been his neighbor! Till we meet again Kevin!
