“ Ron, Cherri, April and Carrie, It is so hard to believe that Kory is no longer with us. He was so proud to be an officer of the law and he went out doing what he loved. There will always be a big open void in our lives without Kory. We know he is with the Lord and his grandparents looking down on us and will be waiting for everyone else to join him some day. It is going to be very hard without Kory, but always remember all your friends and family during at these low times or if you just want to talk about the good times with Kory, or even if you just need a hug, as we are all here for all of you. Just pick up the phone on these days. Remember, Kory will always be with you all in spirit and I am sure he has an arm around you all. We love you all so much and wish we could take all your pain away. May God bless all of you.
