February 24, 1953 - August 23, 2020

Kris Ann Cator

Kris Cator of Minocqua age 67 died on August 23rd in Jacksonville, North Carolina while on vacation with two of her grandkids. Kris was born on February 24th, 1953 one of six children to a Mr. John Kautz and Mrs. Ruth Kautz in Merrill, WI. Kris worked many jobs over the years before starting at the Brandy Lake BP in 1991 where she worked till her death. Kris loved humming birds especially the ones she cared for around her home. When Kris wasn't working she loved going gambling once in while with her best friend, driving around in her yellow mustang convertible, and most importantly spending as much time as she could with her grandchildren. Within the last couple years of her life Kris loved to travel to many places in the US. Kris traveled with her granddaughter to Las Vegas, New Orleans, and North Carolina to see her grandson in the Marines, and also traveled with her daughter and grandson to Mexico, and California. With Kris's heart of gold she was able touch many lives throughout her community. Kris will forever live on in the hearts of those in her family, and those who were fortunate enough to know her.

Kris is survived by her three kids and her beloved grandchildren!! Kris was preceded in death by her parents, John & Ruth Kautz. Upon her wishes cremation has taken place. A celebration of Kris's life will be held on September 9th, 2020 with visiting from 3pm-5pm and closing prayers with the

pastor at 5pm, at Bolger's Funeral Home in Woodruff, WI.

“ Kris was the most wonderful person I have ever had the pleasure of knowing!!! She was funny, caring, heart of gold and gave the best hugs!!! I had the greatest pleasure of calling her grandma!! She was just not my grandma she stepped in, in place of my father and was a parent for me!! Over the last seven years I got to really bond with her and we became best friends!! I was with her when she passed and it was the hardest moment of my life!! I miss her like crazy and there is a huge void in my heart and souls that can't be filled!! I miss you to the moon and back and I am counting the days till we meet again, and you come and take me up to heaven to be with you forever!!! I love you with all my heart and as u would say I love you bunches!!!! 🥺🥺🥺🥺💔💔💔💔💔

“ I was shocked and very sad to see Kris' obituary in the paper. I knew her from the BP for a long time. She heard me singing a song over ten years ago and since then would always ask if the sun was going to come out tomorrow? After awhile it was more about my mood than anything to do with weather. She was a hard worker and always had a smile and a warm greeting for everyone. I can't believe that she would laugh at my really stupid jokes . I'm sure that she was loved and will be missed by a lot of people. Fondest of memories only! Thoughts and prayers are with the family. Allen Labecki (IAMDAN)

“ Kris was always so kind and thoughtful. She and I had an ongoing inside joke about the BP Highlander Grogg coffee, among other things. I am so sad to hear of her passing. I will miss seeing her and joking with her. Thoughts and prayers to her family.

Kris will definitely be missed in the Lakeland area! We'd often meet and chat, either at school or at church. She was a warm, caring woman who was easy to be with. We congratulated each other when our kids did well and commiserated with each other at other times. We sometimes shared our down times and uplifted each other. Her support was invaluable to me. Her faith, shown in her works, inspired me. While we weren't bosom buddies, we were good friends. I will miss a world without Kris' genuine smiles. Jerry and I send sincere condolences to Carrie and the boys. We believe you know what a wonderful woman your mother was and how deeply she cared about you all.

“ *Our thoughts and prayers are with the entire Cator family. This community will not be the same as Kris touched many lives over the years and was a friend to all. She will be missed dearly at the Brandy Lake BP as she was the anchor for the big ship. Rest in peace Kris.*
