

Laurine E. Gebhard

January 29, 1930 - November 5, 2014

Laurine E. Gebhard, 83, passed away on Monday, November 3, 2014 unexpectedly in her home. She was born on January 29, 1931. Those who knew Laurie will remember her as a avid book reader (which the library could not keep up with her demand of new books to read) and her desire to help others as she did when volunteering at the local food bank in Boulder Junction each week.

Laurie was a graduate of Milwaukee Downer College, which is now Lawrence University with a Bachelors Degree and a license to teach math in the state of WI. Laurie was able to teach until she chose to be a homemaker. Throughout her life Laurie enjoyed golfing and participated in several golf leagues throughout her life.

She is proceeded in death by her parents, Ralph and Florence, and her husband of 55 years, Ron. Survived by her two children Ted (Maureen) and Mary (Jim), her two grandsons, James and Kenzie. A gathering to invite her friends to celebrate her life is expected to be planned for the future.

Her children graciously thank those in Natural Lakes who have been her friends for years and continued to look out for her after her husband passed. The past year and a half they have checked in on her, helped her with the house and responded to her in time of need. They feel fortunate she had so many people that cared for her.
