“ Larry was a great guy who was a big part of my mom's life, and her family, for 12 years until my mother passed away in 2019. Larry was from Shawano and was an avid outdoorsman and fisherman. About 14 years ago he contacted an old high school classmate, my mother, and they enjoyed dinners, holidays, and traveling around Wisconsin and beyond. My mother's always wanted to see the Grand Canyon. Larry arranged the trip to Sedona that included a helicopter ride to see the Canyon.

Larry enjoyed his career managing the forests of Northern Wisconsin. His latter career included land acquisition for the US Department of the Interior. He was an avid Badgers and Packers fan and enjoyed watching the games.

Larry was a fascinating guy who lived a full life. He will be missed.
