“ I'm sorry to hear of Len's passing. In the early 1970s when he and Dad were building their cottages at the same time, they occasionally helped each other. In 1994 when we built a garage he helped install the garage door. I talked to him occasionally when I was there, over the 40 years, and I could roam his 40 acres. He told me where I could pick blueberries in his clearings. He was a good Northwoods neighbor and will be missed by those in the community who knew him.

“ Osenga's
We loved Leonard very much. We were always welcome on a Sunday morning for bloody marys and great conversation. Too bad we could not spend more time in the North.
