“ One of my favorite memories was visiting Grandma and Grandpa one summer and we were supposed to be watching the deer out in the backyard but we ended up with a wild goose chase of finding a chipmunk that had gotten into the storage shed in the backyard :)

“ Grandpa would always take the grandsons to the drugstore on Sunday mornings to get the paper and a treat. But it always took a couple of hours. He really loved his grandchildren.. The boys were always happy to find out we were going to Wis. to visit grandma and grandpa.
My heart goes out to everyone. You are in my prayers
