

Linda L. Senkevicius

July 26, 1947 - February 9, 2025

Linda L. Senkevicius, age 77, of Minocqua, Wisconsin, a beloved Wife, Mother and Grandmother, passed away peacefully at home surrounded by her family and cherished pets in the early morning of Sunday, February 9th, 2025.

She was born in Blue Island, Illinois to Martin and Eleanor Steinhagen and grew up in Midlothian, Illinois, before marrying the love of her life Vyto to whom she was married for 53 years.

Having a family was important to Linda as she and Vyto welcomed two children, Mark and Christine. Their family grew even more with the welcoming of their spouses, Rachel and Jack respectively. Linda became a grandmother when Mark and Rachel welcomed two daughters, Shelby and Amber.

From her childhood, Linda had a love for Wisconsin, graduating from the University of Wisconsin- Whitewater, where she studied to be a teacher. A long time teacher in Orland 135, in Orland Park, Illinois, she taught for several years before taking a ten year leave to raise her children, only to return to the school district for many more years.

Linda was a junior high teacher of social studies, over the course of thirty years, instilling her love of history onto hundreds of students, often 120 in one day, as she would tell everyone. Linda advocated for those students who

needed someone in their corner.

In her later years, Linda created countless treasures as she had a knack for crafting with yarn, fabric and paint. She enjoyed both attending the local festivals and craft shows, selling her crafts and sharing her stories.

While the family is saddened by Linda's passing, they will be comforted by knowing that everyone who knew Linda has a good Linda story to tell for years and years to come.

In lieu of flowers, please send donations to Northwoods Animal Hospital in Minocqua or TLC Animal Shelter in Homer Glen, Illinois.

A Visitation will be held at Bolger Funeral Home- Woodruff on Saturday, July 26, 2025 starting at 10:00 AM followed by a Memorial Service at 11:00 AM.

“ The Miller family is sending all of their love to the Senkevecius family and friends. We have been close friends for over 50 years, sharing much of our lives together. Linda and I, Kathy, were on the phone daily, sharing our joys and solving our problems together. We have had so many wonderful memories and fun times! Our daughter, Jenny, also has many beautiful memories, starting when she and Mark were two years old and she also had Linda as her fantastic accelerated teacher at Century. We will always be with you, sweet Vyto, Chrissy, Mark and family and as much as I miss my Linda Lou, we are best friends and sisters forever. ❤️

“ Linda was my middle school social studies teacher in Orland Park, but really she was much more than that. She and I kept in touch over the years and her letters will always hold a special place in my heart. Much love to her family.
