May you find comfort to know that Lori was a very well liked person with a fun, warm hearted personality, and will be missed by many. She and I became friends in junior high and graduated together. “ *Our deepest sympathy goes out to the Eckert Family. Lori had many stories to tell me of her time spent with my husband when she lived at the Squash Lake address. We would talk before work and on breaks about family and her cats. She sure loved her parents. Especially you Jean and how concerned she was about you. Lori will occupy a huge part of my heart as we became fast friends. She was a one of a kind unique person. God was unbelievably gracious to have shared with us this fun loving, caring, selfless, and generous person. She always thought of others before herself. Perhaps someday we will talk again and laugh just like before. But now – I only miss you more. May the light and love Lori brought to others continue to shine and radiate to us all. God Bless.*

“ Lori was the best aunt anyone could ever ask for. I will always remember her for being a wonderful sister to my mother and always being there for my grandparents. I will always cherish the memories of the times I spent with Lori while I was growing up. Lori will forever be in my thoughts and prayers. I love you and miss you so much.

“ i went to beauty college with Lori in Green Bay, She was my best friend and I always carry fond memories of the fun we had together. Our hearts were big and our friendship meant the world to me. I remember in beauty school...she ripped the rubber head off a mannequin and flipped her/its hair to the song Wild Thing....We loved life didn't care what others thought of us....I will never forget Lori. She will always hold a special place in my heart.
