“ We will miss Aunt Louise, with her quick smile and laugh. She always had a funny story to share that made us think of the "good old days". We will miss her very much! We are thinking of you all during this sad time.

“ Shirley, Gary, and family ~~

I will always remember Aunt Louise's smile and laugh. She enjoyed life and had a great sense of humor. I can still see the twinkle in her eyes, when we took her googie rolls this past Christmas, and we needed to make sure she was going to get coffee and butter along with it. It made me laugh because that's how our mom liked her's too. They were so similar. She'll be sorely missed. My thoughts and prayers go out to all of you at this very difficult time.

With love,

Terry Blosser
