“ *If I needed you, I could always call you. It didn't matter if you were sleeping, or having problems of your own, or if you were angry with me, I could always call you. You gave me love and comfort anytime I needed it. You made me laugh and cry (usually at the same time). You gave me so much of your love. I can only hope I did the same for you. I miss you with all my heart. Be at peace, and know that I loved you as my sister.*

“ *It was an honor to have you in my life. You left way too soon and left many broken hearts . We've lost something that can never be replaced no matter how much time passes. Will miss you for as long as I live.*
