As Madeline watches over us...

Daddy please don't look so sad and momma please don't cry. Because I'm in the arms of Jesus and he sings me a lullaby. Please try not to question God and don't think he is unkind. Don't think he sent me to you and then he changed his mind. You see I'm a special child. I am needed up above. I'm the special gift you gave him, a product of your love. I'll always be there with you, so watch the sky at night. Look for the brightest star, and know that's my halo's bright light. You'll see me in the morning frost that mists your window pane. That's me in the summer showers, I'll be dancing in the rain. When you feel a gentle breeze from a gentle wind that blows, know that it's me planting, a kiss upon your nose. When you see a child playing and your heart feels a tug. Don't be sad mommy that's just me giving your heart a hug. So daddy don't look so sad and momma please don't cry. I'm in the arms of Jesus as he sings me a sweet lullaby.
