“ when I was just 18 living downtown Minocqua, I didn't have a car, if it was cold or rainy and I couldn't ride my bike, all I had to do was stand on the corner by Kellihers Tap (now Murtaughs) just before 9am and Petie would stop ,pick me up and drop me off at the flower shop. We really didn't know each other before, she saw me enough in town , one morning she just stopped to see if I needed a ride. Her thoughtfulness & kindnes has stayed with me all these years...Thanks Again for the ride Petie !

“ Cathy, Mark, & Chris,  
We were so sorry to read about your mom. When she visited my office, she was always made me smile. I am sure you will miss her greatly. I know the hole left in a persons heart when a parent leave us. I trust Christ will fill that place for you.  
Love in Him,  
Kathy

“ Christina, Cathy, Mark. I have many fond memories of your mom, Petie. My mom worked for your parents at the Hiawatha and I was your babysitter for a while. Patrons of their restaurant loved your parents. I remember Petie walking amongst the tables laughing and visiting with everyone. I remember your mom, with her pink Rambler car, trying to teach my mom how to drive. It was so funny. They were good friends. My condolences to you and your family. Lisa Jacobson
